

Summer Day Camp Programs Around the State

Even though the end of the school year may seem far away, employees with school-age children need to plan for summer now. Around the state, a number of the NYS worksite child care centers provide full-day summer programs for children ages 6 to 10. Enrollment priority is given to state employees' children.

The following centers offer day camp opportunities for school-age children and still have openings. Please contact each center directly for registration and program details.
